

**Location: Rudders Wharf, Yarmouth NS**

**Dates: August 14<sup>th</sup> – 17<sup>th</sup>, 2019**

Dear Sponsor,

The Yarmouth Shark Scramble is a non-profit fishing tournament where teams compete to catch the largest weight of a single shark. The event is used as a fundraiser for local charities, with all catch information reported to the Department of Fisheries and Oceans for scientific research.

Yarmouth Shark Scramble gained international attention in 2004 when Jamie Doucette landed one of the biggest Shortfin Mako Sharks on the planet and setting a Canadian record with his proud 1082 lb catch. This shark is featured on the main page of our website.

As in the past this great community event would not be possible without the tremendous support from our loyal sponsors. If you would like to be involved with the sponsorship either in a small or big way, please review the attached Sponsorship Levels. For your sponsorship, the company will receive recognition on our website [www.yarmouthsharkscramble.com](http://www.yarmouthsharkscramble.com), Radio, Newspapers and also on the famous Yarmouth Shark Scramble t-shirts, which hundreds are given away and sold during the event.

We will be providing several children activities for the on the waterfront such as a Shark Photo Op, Face Painting, Fishing Shark Pond, along with a lot of educational information, etc.

Come and be a part of the Largest Shark Fishing tournament in Eastern Canada and promote our beautiful communities! As in the past we have had participants from around the world, and you can be part of it all.

This also gives your company great exposure to the Marine Industry.

Please call with any questions you may have.
